Winter Update 2022

Merry Christmas!

I hope everyone had a great Christmas time this year! We had an especially great Christmas for several reasons. One is that Amelia Joy Ullom was born to Timothy and Ashley on December 14th! Weighing 6 lbs., she was rather small, making feeding critical and challenging. Thankfully, as I write, she is up to 6 lbs. and 15 oz., so she is hopefully past the critical stage. Timothy and Ashley are

doing a great job but are rather sleep-deprived. Pray for endurance for them and continued health for Amelia!

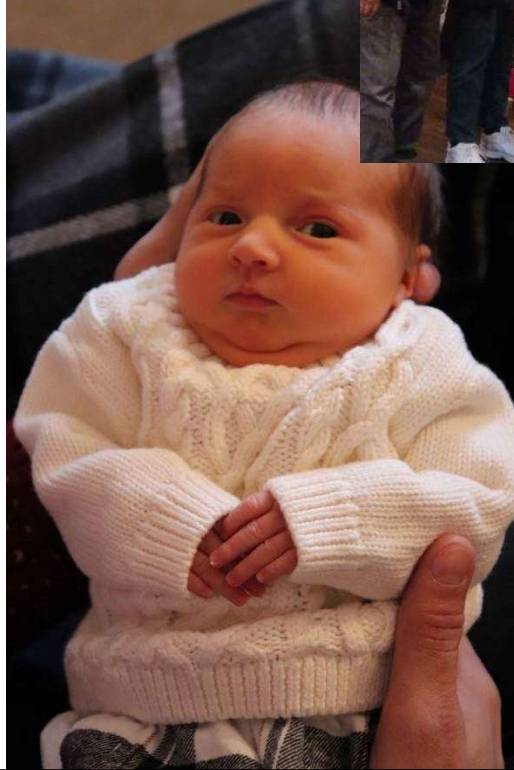

We are also so thankful that Rebekah was able to come back to be with us! This is always a precious gift for God to allow Rebekah to travel all the way from Bolivia to be with us. Please pray for her as she recovers from her 36-hour trip back to Bolivia, settles into a new apartment, and starts teaching again.

Another blessing we had this Christmas was the visit of Duane (Ruth's dad) and Donna Roduner. They were eager to see their first great-grandchild, Amelia. Amelia is the Spires (Ashley's parents) and our first grandchild and the first great-grandchild for all great-grandparents!

Thank you for your faithful support and prayers!

1. Pray for Ruth's health and for spiritual and emotional strength. Despite her challenges, she shows amazing pluck and determination. She inspires us all.
2. Pray for Hannah as she faithfully continues her studies for her master's degree in counseling and continues to work at Grace Christian School as a teacher for their extended care program. Pray that she can find a location for a counseling internship.
3. Pray for Elisabeth as she helps us with He Restoreth Ministries. She helps prepare for missionaries, fixes food for them, and does special repair and decorating projects. She is also developing an amazing craft and jewelry business.
4. Do pray for the additional monthly support needed. God is faithful and will provide. Let us know if you would like to be part of His provision.

Love in Christ, Brent, Ruth, Hannah, and Elisabeth Ullom
