

The Ulloms and He Restoreth Ministries

Winter Update He Restoreth Ministries Update

We have had a good year and God has been so faithful. He has blessed us in many ways! Thank you for your prayers and help! **Thanks to all of you who have given so generously! God is faithful!**

We are looking forward to the **20th anniversary in 2024!**

Merry Christmas and **Happy News!** I am praying that you and your loved ones are enjoying this time of year!

It is important to consider that, even during this time, many people are passing through painful and difficult times. Let us pray for missionaries and people around us who are suffering. If we are honest, I think, all of us are suffering to some degree. God is teaching me to let difficult times drive me to pray and to His Word and not to despair!

Thank you to Naomi (and John) Moody for the contribution to the apartment with such things as a bedside stand, air filter, and emergency lights.

Thank you to an FBC Medford home group that gives weekly cash or Food-4-Less gift cards!

Thanks to Al White, Jim Accord, Greg, and Ted for donating, hauling, and stacking two cords of firewood! (This also included cleaning out the shed from old bark and

chips!) **This was a big help because we were running low.**

Help us get the word out! We are now promoting HRM on the following websites. If you can check these websites out and give us any feedback on the presentations. Thank you!

Prayer Requests

- Pray for Ruth! She seems to be sleeping better but she is still suffering a great deal of discomfort.
- Pray for Hannah as she is finishing her master's program at Grand Canyon University in counseling. All that is left is a 6-month internship. Pray that she will find the right place.
- Pray for Rebekah who is back now and working with Hannah at Grace Christian's extended care. She is trying to recover from the fatigue of the last two years in Bolivia. Pray for healing, rest, and restoration.

- Pray for Elisabeth. She is helping by doing some of the cooking and helping her mother during part of the day. She is also working on starting a business with handmade jewelry. Pray for God's direction as she is still deciding what to study and what occupation to pursue.

- Pray for Timothy, Ashley, and Amelia, as they continue to stay very busy. Timothy keeps busy as a father and a low-voltage electrician. He mainly puts in security and fire alarm systems. Pray for Ashley as she mothers Amelia and works part-time at LOGOS Charter School as assistant to the vice principal. Amelia is now running and turned one on December 14th!

▪ Pray for me (Brent) as I strive, one day at-a-time and following God's directions, to keep up with care for Ruth, paperwork, the maintenance of the property, and the counseling and discipleship. Please pray for focus and trust in Him.

Love, Brent, Ruth, Timothy and Ashley, Hannah, Rebekah, and Elisabeth Ullom
