

Summer 2025

Greetings! I am thankful for all that God has done this summer. As usual, the summer was very busy with online counseling, irrigation, care for Ruth, and maintenance. The retreat center has been slower than usual. I took time to contact mission organizations and talk to organizations about what we have to offer here at HRM.

Member care for missionaries

In the process of contacting mission organizations, the Lord allowed me to meet two missionary member care directors. Member care is the ***emphasis on working to care for the welfare of the missionary***. After talking with them, I began to pray and think about how I could help them. I am working with these two directors to help enhance the member care for missionaries in their organizations. This seems to be a very promising endeavor, and I am excited. Please pray!

The following is an inspiration that has come out this time.

If I speak the *local language fluently*, but have not love,
I am a noisy gong or a clanging cymbal.

If I share the gospel so thousands come forward and completely
understand the native culture,
and if I have all faith, so as to *heal the sick or raise millions of dollars
for missions and the poor*, but have not love, **I am nothing.**

If I *give away everything to go to the mission field and live in a mud
hut* with the poor, but have not love, **I am nothing!**
