He Restoreth Ministries, Inc

Winter 2025-26

Hope everyone had a great Christmas and New Years break!

Ours was especially wonderful because of the arrival of **Eiley Rose Miller** to Rebekah and Zach. She was born on *December 20th, 2025*; 7 lbs. 4.9 oz.in *Port Orchard WA.*

Hannah and Elisabeth traveled up to Washington to help on Dec. 20 for several days.

Then Ruth and I drove up January 6th to visit.

HRM Report

Help us get the word out! We offer free counseling, debriefing, retreats* for missionaries.

*Missionaries bring and fix their own food and pay for heating pellets (winter).

1. Praise the Lord! We have already been able to minister to one family this year at the retreat center. Pray for more to come.
2. Pray for missionaries struggling with *burnout*.
3. Pray for **resources** and **strength** to continue all that we are doing here! Also, pray for resources to make improvements on the property and apartment.
4. Praise the Lord for friends, Bible study groups, church groups, mentors, and mutual discipleship groups that keep us encouraged!

Thank you to those who are helping us and praying for this ministry!
